In making this request to receive water service from the Odenville Utilities Board, I hereby agree to the following:

1. To promptly remit payment each month for services and charges billed.
2. I understand that occasional stoppage of water flow due to accidental damage or to make alterations, repairs, or improvements to the water system, is unavoidable and agree to make no claim for damages arising from such stoppage, including disconnection for non-payment.
3. To maintain my plumbing and fixtures in good working condition and to promptly repair leaks in my plumbing system.
4. To not allow the connection to my plumbing system of any water piping for the purpose of providing water service to any other residence or dwelling. It is understood that this will constitute an illegal connection and will subject me to immediate disconnection until such illegal connection is removed.
